

📁 PROJECTS

Nucampsite

Full Stack Web Development

05/2021 - 11/2021

Built with the MERN Stack while attending Nucamp Coding Bootcamp. I used VSCode with Android Studio, yarn, redux, nginx and AWS.

C++ Chatbot

Artificial Intelligence

01/2022 - 03/2022

Built with C++. I used Visual Studio 2022 and eSpeak Text to Speech software synthesizer.

Professional Portfolio Website

Front End Web Development

01/2023

Built with HTML, CSS, and JavaScript, with the Bootstrap framework, third-party libraries, and FormSubmit. I used VSCode, and npm package management with lite-server. This website is hosted on Vercel.

🎓 EDUCATION

University of Advancing Technology

Bachelor of Science, Computer Science, 4.0 GPA

09/2021 - 06/2025

Tempe, Arizona, United States

Studying Software Development, Web Design & Development, and Artificial Intelligence. I have made the Dean's and/or President's List(s) every semester since my start date. I am pursuing a double major in Computer Science and Artificial Intelligence.

Nucamp Coding Bootcamp

Full Stack JavaScript Development (Certificate)

05/2021 - 11/2021 | United States

Graduate from Nucamp's Full Stack JavaScript Development program; I completed all course projects and weekly workshops.

🧠 SKILLS

Frontend Development:

HTML, CSS, Sass, Bootstrap, JavaScript, TypeScript, React, React Native.

Backend Development:

Express.js, Node.js, MongoDB, REST APIs, (C++, Java, Python).

📋 PROFESSIONAL SUMMARY

Very ambitious and leveraging studies in Full Stack JavaScript Development, Computer Science, and Artificial Intelligence. I want to be your company's next valuable asset.

📋 PROFESSIONAL EXPERIENCE

Underdog Devs

Software Engineer Apprentice

11/2022 - 07/2023 | United States

A software engineer apprentice in a full-time intensive software engineering preparatory program which included rigorous daily pair programming with senior software engineers.

DarkMode Devs

Founder & CEO

03/2023 - present | United States

We are building Websites and Applications with AI integrations, and we are developing our own AI systems.

Nucamp Coding Bootcamp

Ambassador & Web Developer

05/2023 - present | United States

Ambassador role in which I run weekly online Web Dev events and market Nucamp's coding bootcamps.
